SmartPayroll is New Zealand's leading, easy to use online payroll / wages system for small-to-medium sized businesses. Its highly secure payroll processing saves you time, money and hassle by automating your payroll tasks. SmartPayroll pays your employees' wages directly to their bank accounts, deducts PAYE, KiwiSaver and all other deductions, and then files the necessary schedules and returns with the IRD for you.

You can even run your payroll from your phone. And even better SmartPayroll integrates seamlessly with Xero accounting:

Having your payroll in the cloud is the way to go.
