

APLYiD

Digital Identity Verification For AML Compliance

- New Zealand's client-friendliest ID verification software
- Verify the identity of your client by inputting their mobile number into your APLY dashboard, initiating the verification process via SMS
- Complete verification with just a Drivers Licence or Passport – no Proof of Address or supporting documents needed
- Enable clients to individually complete their ID process in under two minutes, at their own convenience no matter where they are
- No apps to download and intuitive mobile interface
- AML, CDD and KYC compliant and uniquely secure
- Proven technology used in leading Tier 1 Banks
- Verify Name, Date of Birth Address and PEP status instantaneously against government and trusted data sources
- Save time and money for the business and for the client
